

Illinois HIV Care Connect

www.hivcareconnect.com

Make a confidential referral to your local Illinois HIV Care Connect office

Help HIV positive individuals statewide find the services they need to achieve optimal health and self-sufficiency. If you are HIV positive and want to refer yourself, you may do so.

Medical case management, health care & support

Once enrolled, people living with HIV receive confidential medical case management services at no charge, regardless of income. Also, they may qualify for a range of other services, such as:

- Outpatient/ambulatory health care
- Mental health care • Oral health care
- Medical nutritional therapy
- Substance abuse services (outpatient) • Food bank
- Legal assistance • Medical transportation
- Psychosocial support • Rehabilitation
- Utility and short-term rent assistance

By contacting Illinois HIV Care Connect, you extend your ability to stop the spread and progression of HIV.
